**Testimonial**

"I am writing to let you know how pleased we are to be working with Foveonics. With the bulk of our construction permits now imaged, retrieving documents in response to OPRA requests is easy and efficient. As we have moved to imaging other departments, we appreciate your knowledge, understanding and assistance as we have partnered together to work with DORES at the State level to receive imaging and destruction approvals. Your comprehensive approach to tackling the record management tasks is very much appreciated!"
