Foveonics manages over 600,000 images daily for Eastampton through secure document storage

Destruction

State of NJ Certified document destruction alleviating valuable facility space

Redaction

Sensitive information concealed globally on all documents at the click of a button

“Foveonics has allowed us to transition our record in keeping with the digital age. It is so much more efficient than paper-based records, is available for our Township employees to quickly access the information whenever they want, from any location.

Foveonics is the perfect partner to work with for a simplified method to access information independently, quickly, and easily. The process for retrieval and destruction of records was seamless and communication was continuous. The representatives were great to work with and very professional.”

About Foveonics

New Jersey based Foveonics Inc., founded in September 2003, is a leading document management services and solutions provider to government agencies. Foveonics has worked extensively alongside our clients and NJ DORES, assisting in the certification process for both Migration Path and Microfilm.
