State of NJ Certified document destruction alleviating valuable facility space

Redaction

Sensitive information concealed globally on all documents at the click of a button

Testimonial

"I have been using Foveonics for over a year now and am very pleased to be able to retrieve files so quickly and efficiently. Whenever I am unable to find something, which is rare, I reach out to support and am always met with a prompt response. I worked with Scott Fliegel early on and he made the transition of picking up the files from the office and having them digitally accessible seamless. The system is easy to navigate. I highly recommend this service."

About Foveonics

New Jersey based Foveonics Inc., founded in September 2003, is a leading document management services and solutions provider to government agencies. Foveonics has worked extensively alongside our clients and NJ DORES, assisting in the certification process for both Migration Path and Microfilm.
