“Before contracting with Foveonics, Randolph Township had not established a Record Management plan, The township was seeking a partner who understood the process. Randolph Township has nearly 2 million images from Building and Planning to Tax Department on Foveonics Cloud Based Solution. OPRA request can now be performed through Foveonics DocumentSync Software. This software has helped save the municipality time and money.”

About Foveonics

New Jersey based Foveonics Inc., founded in September 2003, is a leading document management services and solutions provider to government agencies. Foveonics has worked extensively alongside our clients and NJ DORES, assisting in the certification process for both Migration Path and Microfilm.
