“Scott Fliegel and his team at Foveonics have been an absolute pleasure to work with. They respond quickly to questions and requests and made the process of digitizing all our Building Department files seamless. Accessing our Building Department files is now quick and easy, and no one misses searching through paper files. We are looking forward to continuing our working relationship with Foveonics and the process of digitizing the Township's records.”

## About Foveonics

New Jersey based Foveonics Inc., founded in September 2003, is a leading document management services and solutions provider to government agencies. Foveonics has worked extensively alongside our clients and NJ DORES, assisting in the certification process for both Migration Path and Microfilm.
