Testimonial

"Having been in operation since 1975 and over 50 properties in our portfolio throughout NY & NJ, from multi-family & affordable housing to retail & commercial space, our client/tenant document archiving is paramount. **Foveonics' Document Sync** with proper indexing allows us to now search, retrieve, redact and email specific files when necessary. All our documents, both small & large format are so much easier to manage and saves so much time. If it's scanned, **Document Sync** will find it. The best part is, we're able to email it directly to the requester directly through the platform."

About Foveonics

New Jersey based Foveonics Inc., founded in September 2003, is a leading document management services and solutions provider to government agencies. Foveonics has worked extensively alongside our clients and NJ DORES, assisting in the certification process for both Migration Path and Microfilm.
