Phone: (718) 856-4900 x.33

Testimonial

"Shamco manages and operates hundreds of units across NY & NJ. **Foveonics** provided all aspects of the document conversion which included transportation of records, document preparation, small and large format scanning, indexing, quality control and finally document destruction. Shamco had an existing Electronic Document Management System, which **Foveonics** was able to load the newly scanned images into."

## About Foveonics

New Jersey based Foveonics Inc., founded in September 2003, is a leading document management services and solutions provider to government agencies. Foveonics has worked extensively alongside our clients and NJ DORES, assisting in the certification process for both Migration Path and Microfilm.
